Amendment of the type of insurance, please mark your option

- Insurance will be without repayment cover (e.g. in the absence of any possible beneficiaries).
- Insurance will be with repayment cover according to the following options.

Insurance with repayment cover (survivor's protection)

- Option 1 Beneficiary(ies) shall, in the first instance, be my spouse/cohabiting partner, and secondly, my children, regardless of age, in equal shares between them.
- Option 2 Beneficiary(ies) shall, in the first instance be my children, regardless of age, in equal shares between them, and secondly, my spouse/cohabiting partner.
- Option 3 Special clause to be used in case a clause other than option 1 or 2 shall apply. (For possible beneficiaries, please refer to information on the reverse side of the form) The beneficiary's name, personal identity number and relationship to the policyholder/insured shall be specified for a special beneficiary clause to be valid.

I invoke a special beneficiary clause as detailed on the reverse of the form.

Should a beneficiary wholly or in part abstain from taking his/her inheritance, the assets shall fall to the person(s) next in line as per the beneficiary clause.
