## Information

- You can choose to have your pension paid out over a period of 5 to 20 years, or lifelong. For PLUSpension, lifelong payout is only possible if the insurance policy was taken without survivor protection.
- You may start payouts no earlier than the month after you turned 55, and no later than the month in which you turn 70.
- We need to receive your request in the month before you want to start drawing your pension.
